

BEAR RIVER MRC

NEWSLETTER

FIRST AID STATIONS

Big shout out to all of our volunteers who made it out to Cache and Box Elder County Fairs! Between the two fairs, volunteers spent over 50 hours representing the MRC and supporting our communities. The support of our volunteers was much appreciated.

For those who attended please make sure to complete the appropriate exit interview survey, if you have not already done so.

- [Box Elder County Fair First Aid Exit Interview](#)

As we continue to grow this program please let me know if there are any opportunities you know of that the MRC might be able to fill. Once again, thank you for all of your help and support!

UPCOMING EVENTS

- Flu and COVID training for medical - Sept. 8th
- Logan Pride Festival - Sept. 10th
- Logan Marathon- Sept. 17th

CPR TRAINING

At the start of August, we were able to host a couple of CPR trainings for volunteers. This is something we will plan to continue offering as much as possible. Watch for messages on UtahResponds for any future CPR classes.

In addition to CPR, we will have other classes such as first aid, triage, and scene safety coming soon. We are developing a training schedule now so stay tuned for further updates and information.
